Notes pertaining to Dissertation/Project Work and Annual Progress Seminars/Examination

1. In case of CSIR/UGC fellows, as also students supported by other similar agencies, the dates of their Annual Progress Seminar should be fixed by considering requirements of the funding agency and this fixed schedule be followed strictly and mandatorily. Such dates be informed to the Academic Section by the Supervisor through Head of the School.
2. For the evaluations of Masters' Degree Dissertations, the evaluation schedule in a given academic unit should be spread over a large enough segment of the permissible window, to allow for possibilities of adjustment of the evaluation date(s) for an individual student, as also to prevent overloading the faculty involved in evaluation with too many evaluations on a single day.
3. DSC should meet at least once in a Semester.
