23.02.2016

DAAD scholarships under the 'Sandwich System' for Master's students at the IITs – 2016/17

Dear Professor Raja Kumar,

We are happy to announce the above programme for 2016 – 2017 albeit with a delay.

Kindly note that there are no quotas for the award of scholarships to the individual IITs and therefore we request you to send us all complete and eligible applications along with your ranking list.

M.Tech., M.S., M.Sc., scholars in their 2nd semester and Integrated or Dual Degree scholars in their 8th semester are eligible to apply. The nominated candidates must have a confirmed placement at one of the TU9 Technical Universities in Germany irrespective of their subject of academic pursuit.

The programme at the respective Technical Universities in Germany would begin on 1st September 2016.

The DAAD scholarship application procedure is online like last year. The applicants have to apply online and upload all required documents through the application portal www.portal.daad.de. The announcement is available on our website www.daaddelhi.org under the Scholarships and Funding section. The deadline for the receipt of applications at our office is **15th April 2016**.

There are three changes:

- The eligibility CGPA has been raised to 8.5 from the previous 8.
- TU Berlin is not participating in this programme for 2016. No applications for TU Berlin will be considered.
- No applications for the KIT Campus Alpin, Garmisch-Partenkirchen will accepted this year onwards.

All circulate and do the needful.

Dear (AA)

*Re
2/3/16*

It would be appreciated if you could also make some slots (with tuition waiver) available for German students from your partner institutes in Germany; these students may be advised to contact the DAAD Head Office (Section Asia – ST 34) at the earliest to find out if, how, and when they could apply for financial assistance.

I remain, with kind regards,

Yours sincerely,

Heike Möck
Director

Encl.

IIT Master Sandwich Scholarships Announcement 2016/2017

Objectives

To spend 6 months to complete the project work under the guidance of a German professor at one of the TU9 Technical Universities **(please check the last page of this announcement)**

Target Group

Master's (including Integrated and Dual degree programmes) scholars from any discipline registered at an IIT in their 2nd (8th Semester for Integrated and Dual degree scholars) at the time of application

Duration

6 months

Scholarship Value

- Stipend of Euro 750.00 per month
- 4-6 weeks intensive German language course in Germany
- A study and research subsidy
- Compulsory health insurance covered by DAAD

Requirements and Conditions

- Minimum 8.5 CGPA
- Above-average GATE /JAM /CEED scores
- A confirmed placement letter from a German professor
- Passing the German Language Course is a mandatory pre requirement for continuation of the scholarship award

Application Documents

To be **uploaded** on the portal in the order mentioned below

- Application form available on the portal
- Curriculum-vitae (max. 2 pages)
- Letter of invitation confirming placement at one of the TU9 Technical Universities. Students are advised not to contact the host professors directly, but rather to take the help of their Indian mentors to find suitable placements in Germany. The Indian mentor has to finalise the topic of the project in consultation and mutual agreement with his German counterpart.
- Draft of envisaged research project in Germany to be finalized through mutual agreement of Indian and German mentors with their signatures.
- 2 references from senior academics from the applicant's field of study/research on the proforma available on our website. The referee's title and academic status should be clearly indicated in this (with official rubber-stamp). These should be Confidential (in sealed envelopes) and should be recent-dated **(these are not to be uploaded)**
- All chronologically arranged academic certificates and mark-sheets CGPA /CPI /SGPA, GATE /JAM /CEED score card (all copies must be attested)
- One print out of the application summary generated after submitting the document is required to be sent to the DAAD office through the respective Dean's office.

Application Procedure

The application submission process is online. The link is available on <https://portal.daad.de> Scholarship programme number **57285248** under Personal Funding.

All applications have to be submitted to the respective Dean's office at the IIT. Direct applications will not be accepted. The IITs will set their own deadlines for receipt of applications, and will forward the ranking list of eligible students to the DAAD Office in New Delhi by **15th April 2016**.

Important: DAAD will not consider incomplete applications.

Time Line

- | | |
|--|-----------------------------|
| • Announcement | Feb 2016 |
| • Application deadline at IIT | Decided by the IITs |
| • Application deadline at DAAD New Delhi office | 15 th April 2016 |
| • Selections | May 2016 at Head Office |
| • Duration of programme including language course in Germany | 01.09.2016-31.03.2017 |
