IIT Bhubaneswar celebrates successful landing of Chandrayaan-3

Bhubaneswar, 24th August 2023: Indian Institute of Technology (IIT) Bhubaneswar has joined the Nation in celebrating the successful landing of Chandrayaan-3 Vikram Lander on the moon's surface on 23rd August. Prof. Shreepad Karmalkar, Director and Shri Bamadev Acharya, Registrar of IIT Bhubaneswar, along with the students, members of faculty and employees of the Institute witnessed the live streaming of this historic event, organized in the Institute Campus and congratulated the scientists of ISRO for this achievement of becoming the first country to land its spacecraft on the south pole of moon. Everyone present was thrilled with joy and pride on this momentous achievement of India.
