## IIT-Bhubaneswar student bags Rs 64 lakh offer during placement drive

Hemanta Pradhan / TNN / Updated: Dec 14, 2023, 09:53 IST

IIT Bhubaneswar has organised 12 placement drives since 2

BHUBANESWAR: Students of IIT Bhubaneswar have received 200 job offers in the first 10 days of the campus placement drive. The placements, which began on December 1, will continue till July-end next year.

A placement officer said one student has got an offer of Rs 64 lakh per annum from a multi-national company, which is the highest package received during a placement drive in the institute's history till date.

IIT Bhubaneswar has organised 12 placement drives since 2012.

"We will give details about the highest package after the end of the first phase of the placement drive on December 31," the officer said.

Software, IT, consulting and analytics companies participated and hired students in the first 10 days of the placement drive. An IIT official said the institute will invite firms from diverse sectors to let students select job opportunities based on their professional interests.

"Even though the global business scenario has slowed down affecting placements across the country, the drive at IIT Bhubaneswar is encouraging and gaining momentum," said Arun Kumar Pradhan, head of the institute's career development cell. "This year, BPCL, HPCL, Reliance Industries, Oracle, Microsoft, Google, Accenture Japan, Salesforce and several Fortune 500 companies are participating in the placement drive, providing the students a vast array of opportunities," he said.

"Besides offers in the domestic market, IIT Bhubaneswar has so far bagged four international offers," said a statement issued by the institute.

**Till now, the highest placement offer made to a student this year is Rs 64 lakh per annum, the placement officer said. It is also the highest package ever received during IIT Bhubaneswar's placement drive**

The campus placement drive across IITs is underway. A total of students of the Indian Institute of Technology (IIT) Bhubaneswar have received 200 job offers in the first 10 days of the campus placement. Till now, the highest placement offer made to a student this year is Rs 64 lakh per annum, the placement officer said. It is also the highest package ever received during the IIT's placement drive, reported Times of India. IIT Bhubaneswar has conducted 12 placement drives since 2012.

“This year, BPCL, HPCL, Reliance Industries, Oracle, Microsoft, Google, Accenture Japan, Salesforce and several Fortune 500 companies are participating

in the placement drive, providing the students a vast array of opportunities,” Arun Kumar Pradhan, head of the institute’s career development cell told the publication.

“Even though the global business scenario has slowed down affecting placements across the country, the drive at IIT Bhubaneswar is encouraging and gaining momentum,” he added.

A slight downward trend is expected this year when it comes to the number of recruiters participating in the IIT campus placements amid predictions of a global economic slowdown. While the first-generation IITs are expecting a good season, the second and third-generation IITs say not many international firms have come out so far and are in the “wait and watch” mode.

**भुवनेश्वर।** भारतीय प्रौद्योगिकी संस्थान (आइआइटी) भुवनेश्वर में चल रही कैम्पस भर्ती प्रक्रिया के दौरान प्लेसमेंट में देखी जा रही है। नियोजन बाजारों में निराशाजनक परिदृश्य और वैश्विक अर्थव्यवस्था पर मंदी की मार के बावजूद आइआइटी भुवनेश्वर में प्लेसमेंट में निरंतर सकारात्मक रुझान दिखायी दे रहा है और पहले 10 दिनों में लगभग 200 ऑफर प्राप्त हुए हैं। प्रथम पीढ़ी केन आइआइटी की तरह आइआइटी भुवनेश्वर में भी 1 दिसंबर से प्लेसमेंट प्रक्रिया शुरू हो चुकी है। शुरुआत में धीमी गति के बावजूद, प्लेसमेंट ने अब गति पकड़ ली है। कई कंपनियां कैम्पस से नियुक्ति के लिए कतार में खड़ी

हैं। प्लेसमेंट के पहले 10 दिनों में संस्थान में कई सॉफ्टवेयर, आइटी, कंसल्टिंग, एनालिटिक्स कंपनियों ने भाग लिया और अच्छी संख्या में नियुक्तियां की। संस्थान, पहले की तरह, छात्रों को उनके व्यावसायिक हितों के अनुसार चयन करने का अवसर प्रदान करने के लिए विभिन्न क्षेत्रों की कंपनियों को आमंत्रित करने पर भी ध्यान केंद्रित कर रहा है। इस साल बीपीसीएल, एचपीसीएल,

रिलायंस इंडस्ट्रीज लिमिटेड, ओरेकल कॉर्पोरेशन, माइक्रोसॉफ्ट, गूगल, एक्सेंचर जापान, सेल्सफोर्स, जगुआर लैंड रोवर, जोमैटो, एनालॉग डिवाइसेज, टाटा कैपिटल, टाटा स्टील, मैथवर्क्स, टाइगर एनालिटिक्स, जीडि हेल्थ केयर, जिंदल स्टेनलेस लिमिटेड जैसे संगठन प्लेसमेंट ड्राइव में भी ले रहे हैं, जिससे छात्रों को प्लेसमेंट के व्यापक अवसर मिल रहे हैं।

संस्थान को अब तक सबसे ज्यादा 64 लाख रुपये प्रति वर्ष का ऑफर मिला है। घरेलू बाजारों में मिलने वाले ऑफर के अलावा आइआइटी भुवनेश्वर के छात्रों को अब तक 4 अंतरराष्ट्रीय ऑफर भी मिले हैं, जिसमें सबसे ज्यादा ऑफर कंप्यूटर साइंस डिपार्टमेंट के छात्रों को मिले हैं। प्लेसमेंट के सकारात्मक रुझानों के बारे में जानकारी देते हुए प्रोफेसर अरुण कुमार प्रधान,

एचओडी करियर डेवलपमेंट सेल, आइआइटी भुवनेश्वर ने कहा कि यद्यपि अर्थव्यवस्था में हुई गिरावट तथा आर्थिक मंदी ने भले ही वैश्विक व्यापार पर दृश्य और अर्थव्यवस्था को संकुचित किया है, जिसने पूरे देश में प्लेसमेंट गति को प्रभावित किया है। इसके बाद भी आइआइटी भुवनेश्वर की प्लेसमेंट में उत्साहवर्धक एवं सकारात्मक वृद्धि देखने को मिली है। हमारे छात्रों को विभिन्न क्षेत्रों से ऑफर मिल रहे हैं। मुझे खुशी हुई कि मुख्य उद्योगों और सार्वजनिक उपक्रमों सहित कई कंपनियां भी आइआइटी भुवनेश्वर से छात्रों को नियोजन दे रही हैं। इसके साथ-साथ यह भी उल्लेखनीय है कि अधिकतम छात्रों को प्लेसमेंट और नौकरी के अवसर उपलब्ध कराने हेतु आइआइटी भुवनेश्वर में प्लेसमेंट सीजन जुलाई 2024 तक जारी रहेगा।
