## IIT BHUBANESWAR RESEARCH AND ENTREPRENEURSHIP PARK

### Corrigendum

Date – 15/02/2024

**SUB – Cancellation of the bid No. IITBBSREP/2023-24/VARCoE/001 and Issue of fresh bid for the same.**

The Bid document for “**Selective Powder Deposition based 3D Printer**” that was proposed to be procured for the VARCoE project “VR assisted 3d printing of cranial implants for Neurofibromatosis” under project code “**VARCOE/23/04**”. The Bid Number for this procurement was IITBBSREP/2023-24/VARCoE/001, and the bid process commenced with the opening of bids on 18th January 2024. The Bid End date/time was set for 30th January 2024 at 18:00:00, and the Bid Opening Date/Time was scheduled for 31st January 2024 at 10:30:00.

Regrettably, despite the initial expectations, only a single bid has been received by the specified end date. This restricted participation raises concerns about the competitiveness of the procurement process.

In light of this situation, it is necessary to cancel the ongoing tender process and initiate a new call for tenders to ensure fairness, competitiveness, and compliance with our guidelines and principles of procurement.

Kindly note the following amendments and instructions for the reissued tender:

- The tender for the procurement of “**Selective Powder Deposition based 3D Printer**” bearing bid No. IITBBSREP/2023-24/VARCoE/001, released on dated-18/01/2024, is hereby officially canceled.
- A new tender for the same requirement will be released.
- All terms, conditions, and specifications outlined in the original tender document shall remain unchanged unless explicitly stated otherwise in the renewed tender release.

  
Director, REP
